Dear Valued Clients and Directors,

The World Champion team will be at Staples Center today in celebration of their recent title.

Please note we expect large crowds in the vicinity of the Staples Center starting around 9:00am this morning, through the lunch hour.

There are no planned street closures in or around the area with the exception of Chick Hearn between Staples and Nokia Center.

This said LAPD will have a large presence in the area and may conduct temporary closures as needed.

Staples is offering free parking in the West Garage and their gates open at 9:00am with the event starting at 11:00am.

Take Care,
